<https://www.decadirect.org/articles/deca-announces-competitive-event-topics-for-2024-2025>

## **Business Operations Research Events**

The 2024-2025 topic for each career category is the development of a strategic plan to enhance or introduce the use of AI in an existing business or organization. Participants will collaborate with a local business or organization to analyze current AI strategies and practices. Participants will then develop and present a strategic plan for AI usage.

## **Financial Consulting (FCE)**

For 2024-2025, you will assume the role of a financial consultant who works with student-athletes. A potential new client, a college-level athlete who is receiving money from NIL (name, image and likeness) deals has scheduled a meeting with you to learn about how to get started with basic investing. The client would like you to explain different investing options to develop and build a financial portfolio.

## **Hospitality and Tourism Professional Selling (HTPS)**

For 2024-2025, you will assume the role of a sales representative for a company specializing in sustainable products. The purchasing manager for a local hotel chain has scheduled a meeting with you to learn about sustainable product options that can be integrated into any of their departments.

## **Professional Selling (PSE)**

For 2024-2025 you will assume the role of a sales representative of a customer relationship management (CRM) platform. A local small business owner has scheduled a meeting with you to see the potential benefits of adding a CRM platform to reach current and potential customers. The owner wants to learn how your CRM platform will engage customers to positively influence buyer behavior, build brand loyalty, and meet the business's goals.

# CHAPTER CAMPAIGNS

**Engage your members in DECA activities** throughout the year using DECA's Chapter Campaigns as your guide! These campaigns are perfect for developing your chapter's program of leadership and allow your chapter to gain the recognition it deserves.

**DECA offers five unique campaigns** that will help you grow your chapter and build lasting partnerships within your school and community.

There are great awards for DECA chapters that attain recognition through DECA's Chapter campaigns, including the opportunity to earn a certificate, pennant, plaque, flag, or even two allocations to attend the THRIVE Academy at DECA's International Career Development Conference.

Please reference this site and the Chapter Campaign guidebook for more detailed information <https://www.deca.org/campaigns>.

## MEMBERSHIP CAMPAIGN

Just like in business, continued growth is one of the keys to success. DECA's membership campaign is designed to help your chapter grow by making the DECA experience available to more student members, keeping alumni involved and engaging professional members such as administrators, teachers, parents and business partners. Recognition for the Membership Campaign will be determined based on your membership submitted in the online membership system. The due date for submission is December 2<sup>nd</sup>, 2024.

## PROMOTIONAL CAMPAIGN

Be sure to submit your information online by December 1<sup>st</sup>, 2024.

## COMMUNITY SERVICE CAMPAIGN

DECA members are always finding unique ways to serve their community. Get recognized for your efforts through this campaign. It's easy. Simply document one or more community service activities, be sure to have at least 75% of your members involved, and create at least one form of publicity or promotion. Finally, be sure to submit your information online by December 1<sup>st</sup>, 2024.

## ETHICAL LEADERSHIP CAMPAIGN

Educate your local school and community about the importance of ethics. To earn recognition, submit three Ethical Leadership Challenge entries, conduct three school outreach activities promoting ethical leadership and three community outreach activities promoting ethical leadership.
